One of the most versatile young men in the amateur acting profession is Dennis Hopper. "To be an actor" is his life's ambition, and at the rate he's going he will undoubtedly make the grade. Dennis has more acting trophies than most people twice his age. Just to name a few, for the best actor, State College, both in 1951 and 1952. Also at Redlands in 1951-52, not including his trophies and citations for his speech and oration work. This nice looking, Helix Hi Junior is 5'8", around 155 lbs., has blonde hair and blue eyes. He is the son of Mr. and Mrs. J. M. Hopper, 3224 Massachusetts Avenue. Dennis was born in Dodge City, Kansas, 16 years ago, where he lived up until 4½ years ago. His favorite sport and hobby is fencing. He also sings bass this year in the Green-robed choir, and writes a sports review column for the Highland Fling (school newspaper). Some of you, I'm sure will remember him as the ruthless, sarcastic, Lem Carmelt in "Vengeance Height," which was performed by the Helix Drama class for a church benefit fund, here in Lemon Grove. He also had one of the leads in the world premiere of "Doom's Day" this year at the Pasadena Playhouse. Although Dennis can adapt himself to most any type of role, he enjoys and prefers to do straight dramatic parts. (He also does a very good impersonation of Marlon Brando.) After graduation he intends to try for a 3 year scholarship to Pasadena Playhouse. Rest assured, Mr. Hopper is destined for stardom if he keeps up the good work.

CAMERA SHOP WINNERS NAMED

Winners of the doorknob drawing at the recent opening of the Lemon Grove Camera and Sport Goods Shop at 7848 Broadway are: Mrs. Werner Schmeck, 2717 Cypress, guest bag; Sylvia Robinson, 3206 Grum, Argus camera; Walter McCollum, 7915 Lincoln, tripod; Lawrence Farmer, 8279 Golden, Deltalens.

Numbers not claimed are 10213 and 10194. If they are not picked up by Friday evening a drawing will be held for these two prizes.

Gas reserves in California continue to decline moderately, according to the California Public Utilities Commission. The proportion of gas that must be imported from Texas and New Mexico increased from 14 percent to 21 percent in 1951.

only be temporary. We need a permanent solution for this problem as well as many others that are evident.

These three problems are just the most recent evidences of the fact that Lemon Grove, you and I, are being denied what we can and should have — community service. Only a city, OUR OWN city can best provide these services. Therefore, I urge everyone of you people reading this to start the wheels turning for incorporation. We have a civic organization now, let's use it to form a nucleus for incorporating Lemon Grove rather than wasting the members time with needless investigation when the true need is obvious.

Yours truly,
RAY CARMODY

Letter Writer Questions Wisdom Of Unification

LETTERS TO THE EDITOR

Dear Fellow Citizens of Lemon Grove:

We have heard much about our opportunity to vote on the unification of the Lemon Grove School District. On Dec. 5 we will have a chance to vote, but just how much will this vote mean? On the same day La Mesa votes on their unification proposal, and votes alone as to whether or not to take over the two high schools which up to this time have been the property of the whole district. Do you have a chance to vote regarding the loss of this property? According to the figures of the high school board, the loss to the rest of the high school district in equity will be \$961,960 or \$1,861,960 depending on whether or not La Mesa citizens later vote by a 2/3 majority to assume the outstanding indebtedness on this property.

Do you have a chance to vote as to the type of unification that should be carried out? Do you know that several members of the County Committee who investigated here and recommended our separate unification, stated before they voted that they felt that our unification with La Mesa would be a much stronger plan? They stated that the Lemon Grove people to whom they had talked did not want this, but assured them that we could swing this alone therefore they said they were voting for separate unification. Do you know that if the whole Grossmont District should unify we would have one district superintendent where there are now eight?

Do you know that the one member of the State Board of Education who voted against breaking up the High School District was well qualified to pass judgement? He is Gilbert Jentberg, formerly chairman of the State Commission on School District Organization. He called this proposal a step backward. Can not the larger unified district place the high schools more strategically in a section that is built up the way ours is?

In this section where separate community lines are of small importance is this great emphasis on narrow community interests a wise move from the standpoint of our children? The extra state money we shall now get should be used for broadening their school opportunities and their horizons.

Do you approve of propaganda being sent home by the school children, especially when some of it is open to question, and some even misleading?

Signed,
Louis K. Richie
Donald D. Richie

Ed's note:

The Review is in favor of voting "yes" on unification at the coming election. However, its continuing policy is to allot space to all side in a controversial issue such as this.

LOCAL THESPIANS HIT THE BOARDS IN "EILEEN"

"My Sister Eileen" principals are: Alan Batchelder, Howard Bowers, Christine Madeiros, Barbara Thornton, Hervet Fullford, Cynthia Spry, Steven Batchelder.

See what happens to two girls from Ohio after a sly landlord rents them an apartment saying, "In New York you either live, A—over, a subway, or B—where they're building a subway, or C—you don't live in New York." This will be revealed at the Monterey Heights School auditorium

L. G. MASONIC CLUB NAMES BOARD FOR BUILDING

The Lemon Grove Masonic Club voted unanimously to initiate and organize the Lemon Grove Masonic Temple Ass'n. for the purpose of providing a building in Lemon Grove for Masonic meetings at its last regular meeting October 17.

Elected as a board of directors were the following: Tom Parsons, L. V. Thorogood, John Landesco, James Hopkins, Wm. Rife, Jr., Stanley Blake, Luther Hussey, John Dail, George Craft, Chris Fergusson, A. E. Donnelly, and Ted Haaf.

On November 6 this group elected as temporary officers, Wm. Rife, Jr., Pres.; Stanley Blake, Vice-Pres.; Luther Hussey, Sec'y.; and John Dail, Treas. Papers for incorporation are being applied for from the State of California after which permanent officers will be elected and plans will be made for proceeding with the preliminary details for construction of a Masonic Temple on the lots owned by the club on Main Street. The Lemon Grove Masonic Club has set aside sufficient funds to clear title to these lots.

KAHAN'S ENTERTAIN PERMANENT GUEST

Morris Kahan, co-owner of the newly opened Popular Liquor and Delicatessen on Broadway is slicing the salami extra thick these days.

It's because of the new arrival at the Kahan household of a 7 pound baby girl November 8.

The girl's name is Paula. Both Morris and his wife Frances are dining fine.

Hospital District Board Election Set For Tuesday

Election of two directors of a five man board to serve four years on the Grossmont Hospital District Board will be held Tuesday, November 18.

Two incumbents, F. L. Boyd and R. Marvin Jackson will be opposed by Clark D. Cunningham, El Cajon, and Wallace W. Miller, El Cajon.

The incumbents were appointed by the County Supervisors at the formation of district and helped bring the district into life.

The Lemon Grove polling place is at 7504 Central.

Inspector, Mildred Dunton; Judge, Lucille Taylor; Clerks, Margaret Garber and Mildred Huebsch.

Officials estimate that the election for these non-salaried offices will be in the neighborhood of \$3000.

Elections will be held in Lemon Grove, La Mesa, Spring Valley, El Cajon, Bostonia, Lakeside, Alpine, Descanso, Dulzura and Proterra.

The cost of this election will be borne by Hospital District taxpayers.

Twenty-five acres for building the hospital was acquired this week. It is located west of Grossmont High School.

on November 14 and 15 at 8:15 p. m. when the Heartland Players present "My Sister Eileen."

It is a Broadway Comedy hit dealing with the struggles of Eileen and Ruth as they attempt to make careers in a strange city. Contrary to what acquaintances believe Eileen and Ruth are virtuous girls. Circumstances beyond their control makes it seem otherwise. Keeping them forever in a turmoil. The scene is set in a Greenwich Village apartment. Typical of many apartments today there is hardly enough room to turn in and no privacy.

The play handles their plight with hilarity introducing a variety of characters with different personalities which provides three entertaining acts for the audience.

Tickets are available at Walter's Jewelry, Lemon Grove, Beverly Heights, H6 3178 in Monterey Heights, and Todd Ballantyne, H6-8917.

Business Women's League Collects \$700 For Red Feather

The Business Women's League of Lemon Grove met Thursday at the Kissel House with Mrs. Al Huebsch presiding.

Mrs. Graydon Roberts, the Business Women's chairman for the Red Feather Drive, reported that her committee have collected \$700 from the business people of Lemon Grove.

The Women's Club will serve the luncheon for the next Business Women's meeting at 12:30 p. m., Thursday, November 20th, at the Lemon Grove Women's Club House.

There will be an executive board meeting Monday, November 17th at 7:30 p. m. at the home of Mrs. Floyd Chaffee, 1860 Bay Front, San Diego.

Princess Evelyn, of the Mother City, and her Court are to be guests of honor next Friday evening at McMahan's Furniture Store in Lemon Grove.

Grocers who help support the various entrants in the contest may visit the Court from 6 to 9 p. m.

During Court a turkey will be cooked in the stove illustrated and shared with the public as

part of a store wide furniture event and appliance demonstration.

In the photo are: kneeling, Princess Evelyn Davis; standing, Betty Varue, Gerry Marks, and Carolyn Cook, maid of honor.

The man in the photo is Bud Stewart, manager of McMahan's who will be host at the event.

Public hearing on the proposal to unify the Lemon Grove School District will be held Wednesday, November 19th at 8 p. m. at the San Miguel School auditorium.

The school is located at 7059 San Miguel Ave. and all interested persons are urged to attend.

The hearing is official one required by school law to be held at least 10 days prior to an election. The election has been set for December 5th.

The Wednesday hearing will be conducted by the San Diego County Committee on School District Organization. Members of the Organization were elected by trustees of each school district in San Diego County.

The Organization will explain what residents face under a unified district as well as what the results of non-unification will be. A question and answer period will be included at the hearing. The program is devised to make possible for each citizen to intelligently vote at the December 5th election regardless of whether the voter is for or

against the proposition. Notices of the hearing are being posted on every school and public building including the post office, firehouse and youth center.

Children will be given notices.

"Every interested person should attend this hearing," Byron Netley, Superintendent of the Lemon Grove School District urged. "This is the official meeting," he pointed out "and those for or against the proposal should attend especially if they feel that some question remains to be answered."

"In the meanwhile members of the Grove School District will appear upon request before any organization to give information and answer questions concerning the coming hearing and about unification."

to be taken to their parents during the week, according to local school officials.

The hearing committee is Keith Atherton, Chula Vista; F. G. Barnard, Jr., Oceanside; Mrs. Glenn Crosbie, La Mesa; Robert C. Dent, San Diego; Mrs. Eleanor Morocco, Escondido.

Dr. Eugene Muelheisen, San Diego; Mrs. Mary Starr, Ramona; Mrs. Clarence Stockton, San Diego; Clay Stewart, Mt. Laguna, chairman.

Dr. Cecil Hardesty, Co. Supt. of Schools, secretary.

In addition, representatives of the Grove School District will be present.

Correction On Sprouse-Reitz Location

The Sprouse-Reitz development reported in the REVIEW of November 6th and previous editions will be located east of Broadway, just beyond Carr's.

In the latest report our printers had the location west of Broadway. This is not the case. The area west of Broadway upon which many eyes are focused is the property held by Ace Markets. These owners recently decided to make the property available for lease. Up to the present time there has been no concrete development announced. Rumors, however, are rife.

The correction, then, is that Sprouse-Reitz will locate east of Broadway on the south side of the street.

EARLY XMAS FOR ROBERTS

It was Christmas in October for a Lemon Grove family two weeks ago.

When "Lt. Grafton Roberts was ordered overseas last month he his wife Elizabeth Frances and daughter Carol decided to make the farewell party a Christmas affair.

They got a Christmas tree and all the trimmings, exchanged presents and had a traditional party two months early.

Mrs. Roberts owns and operates the Elizabeth Frances Shop at 7895 Broadway.

Rev. C. J. O'Mara, S. J. To Give Mission At St. John of the Cross In Lemon Grove

Rev. John W. McDonagh, pastor of St. John of the Cross in Lemon Grove announces a Mission to be given by Rev. C. J. O'Mara, S. J., November 11 through November 21. Morning Masses at 6:00, 7:00 and 9:00. Evening devotions at 7:30 throughout the Mission.

A Mission is a course of spiritual exercises conducted by specially trained Missionaries whose object is to strengthen all in virtue and bring upon all the blessings of God.

All Catholics and non-Catholics are cordially invited.

The purpose of the California Public Utilities Commission is to assure adequate service from privately owned utilities at rates that are "fair and reasonable"

Members of the Lemon Grove Chamber of Commerce and interested business people are sparking a "Keep the Business Section Clean" campaign.

This group posed for a picture to dramatize the need for such leaders. Charles Berry, Victor Junder, Clarence Milbrod, Tony Sanka, Sol Blane, J. Vaughn, Bob Browne, and Harry Eldia.

WOMAN'S WORLD

Simple Techniques Help to Eliminate Strain in Housework

By ERTTA HALEY

DOES YOUR BACK ache? Do your muscles feel sore and strained? These are some of the complaints lodged against housework by many women after they finish either daily or weekly cleaning in their homes.

These are not always imaginary complaints either. They may be real and may even lead to definite difficulties, mainly because improper techniques are being used in cleaning the house.

It may sound strange, but it's true that women use twice the amount of energy and needlessly waste much more than that in doing their household tasks. Why? Because many of them simply stumbled into their housekeeping jobs and jumped into doing things that needed the work and efforts.

Some women keep their houses in good condition and never seem fatigued at all, as well as having plenty of time for all the recreational or social activities they need.

Some women in the course of their housekeeping activities have

learned them by exposure. Take, for example, women who have a cardiac or heart condition. Or, for another, those who have weakened their backs or muscles with sprain. These women still have to do their work, and do it well, but they have learned a new way to do these things so they won't be strained or fatigued.

All women can learn the aids used by these women and thus enjoy the benefits of extra time and leisure that results from better housekeeping methods.

Analyze Daily Tasks With Counting Steps

Families can assist homemakers in their various activities, and particularly in their analysis of the daily tasks. This can be accomplished by having them count the steps, bends and reaches which mother must make in doing various duties.

Once this is actually done on paper, with possibly a diagram of the kitchen showing how often she travels the various routes to refrigerator, sink, cabinets and table, an analysis of her whole job can be made.

Study the various ways in which steps as well as bends and reaches can be eliminated. In one case, a woman made 20 stoops while she worked in the kitchen; when corrected she could do the same work, making only 7, thus saving 13

Stove Storage Cart

A new model in gas ranges incorporates a detachable storage cart which glides out of the range on cushioned ball bearing wheels to provide a handy working surface. Use it near the range or anywhere in the kitchen for food preparation, then let it disappear inside the range, out of the way, when not needed.

Store Equipment Where Most Used

Industrial engineers have for a long time recommended that women store their household supplies and equipment "at point of first use." This principle alone has saved many man-hours in industry and it has been proved that it can also save many woman-hours in the home.

In your study of kitchen activities and movements, check to see how often you must move supplies and utensils. The next question is to concentrate both supplies and equipment in their various proper centers—that is, where they are most used.

Let's say, for example, that your sink is your cleaning and preparation center, as is common. Your dishpan with the various cleaning supplies should all be located underneath the sink. The garbage can should also be there so dishes from the table can be scraped into it, rinsed without another step and stacked.

Do keep all your towels and other such supplies right there, too, so you won't have to step away from the sink to reclaim them. If possible, store all or most of the dishes and silverware right above the sink so they can be put there directly after cleaning.

If dishpan, powder and dish rack with protective mats are kept underneath the sink, see if you can store them so that all can be lifted out with bending only once instead of several times.

Keep knives, drainers or colanders and other food cleaning implements in the sink area so that food can be cleaned right where you have running water for the job. Cooking and utensil storage dishes may be kept in the same area so food can be placed in them for storing or cooking.

Seat Yourself While You Work

It's amazing how many jobs can be done while you sit down, rather than stand if you'll just stop to think about it. How about ironing, for example? Many chairs, for good posture and comfort, are made for this purpose and they're an energy saving idea that are well worth the investment.

Plan to do many of your kitchen tasks in a seated position and you'll find yourself much more energetic after a day's work. Preparation procedures, such as cutting and mixing may often be done sitting down much more easily than while standing.

Why stand in the first place while doing these things? Most women do because that is the way things were done by mothers and grandmothers and because they never gave it a second thought, even after having difficulties physically.

Another reason why women stand is because they do not organize their kitchen work, for instance, sufficiently so they can sit and just do the work at hand. If you gather all the equipment and supplies, it's possible to do all mixing procedure at one sitting because you don't have to jump up and down to get things.

Tables and counter tops so that you can sit comfortably while you work are essential for many of these things. Leaves, however, can be pulled out of many counters, if they're built-in, and they'll provide correct and comfortable working heights.

NOTICE OF SPECIAL SCHOOL DISTRICT REORGANIZATION ELECTION

Notice is hereby given to the qualified electors of the Lemon Grove School District that in accordance with the provisions of the Education Code of the State of California, particularly Sections 4911 to 4920 thereof, a special election will be held on December 5, 1952, within the exterior boundaries of said Lemon Grove School District for the purpose of submitting to the qualified electors of the above-named school district the question of whether or not this district shall become a unified school district. The polls at said election shall be opened at 7:00 A. M. and closed at 7:00 P. M.

For the purpose of holding said election, said Lemon Grove School District shall be divided into 4 Special Election Precincts, and said precincts are hereby established as hereinafter numbered and described; and the persons hereinafter named being competent and qualified electors of said school district, and of the Special Election Precincts for which they are respectively:

Transportation Is Big Problem In Grove School District

Note: This is one of a series of articles regarding services offered by the L.G. School Dist.

The problem of transporting children to school by bus in the Lemon Grove District has become a major undertaking. It has almost reached the point where a bus dispatcher would be helpful.

The three women drivers, Mmes. Myrtle Schmidt, Esther Sperling, and Loretta Palmer, make a total of 39 trips each day. They carry an average of 39 pupils per load, for a total of 1544 children carried to and from school daily. The buses travel a total of 212 miles each day, which means the total miles driven per school month is nearly 4300, or 34.172 in a year.

In addition to the regular runs, there are occasional field trips of an educational nature made by classes using the school buses.

The main reason for the number of daily runs is due to class schedules. Kindergarten children have a shorter day than other pupils; the intermediate classes attend school longer each day than others; and students on double sessions require additional transportation.

Keeping these buses on schedule and yet operating them in a safe manner is a real problem. Parents can help the drivers by overseeing children who wait at bus stops. Discussions between parents and children regarding good behavior on the bus is also helpful.

Spring Valley To See "Frolics"

Fun Frolics of '52 will be staged November 14 and 15 at 8:00 p. m. in the Spring Valley School auditorium by the Spring Valley Chamber of Commerce, Coronation Council, and the Casa De Oro Civic Ass'n.

It will include Production Numbers and T. V. and USO stars.

Proceeds will go to a "building fund" for the three organizations.

Members of the committee are Jean Eskridge, Rosary Graham of the Coronation Council, and June Wallace of the Casa De Oro Civic Ass'n.

It doesn't pay to doctor your own INSURANCE

If you are not trained in the medical profession, it doesn't pay for you to diagnose your ailment or to prescribe the medicine which you should take to make you well. Neither does it pay for you to doctor your own insurance. We have seen the results, had results, of this so many times that we urge you not to do it even though we never handle a nickel's worth of your insurance business. This is altruistic advice for your own good and for the good of the insurance profession.

Meeting the growing demands for service in timber-rich Roseburg has meant more than tripling the city's telephone system since 1941

Roseburg, Oregon: Thriving Timber Town

You may find this is the telephone story of your town, too

Roseburg, key city of the nation's largest timber county—grew fast during the war and postwar years. Like many Western communities, its population almost doubled—from 4,900 in 1940 to nearly 8,500 today. Its annual income soared, too—retail sales in the county increased six-fold in a single decade. In these figures lies the reason for our amazing telephone expansion in Roseburg. We had to grow fast to meet the needs of more people in town—and more of these people wanting telephone service.

Major telephone construction in Roseburg began shortly after the war. We built a new central office building. And in February, 1951, a completely new dial telephone system was placed in service for Roseburg telephone subscribers. Altogether, we spent more than \$3,000,000 expanding Roseburg's telephone system. Even so, because Roseburg is continuing to boom beyond all expectations, we cannot provide all telephones needed the moment requests for service come in. But, in the face of materials shortages, we'll keep doing our best to take care of present orders... as well as those which we know still lie ahead.

Your telephone is one of today's bargains

Roseburg's telephone story has been told in hundreds of communities up and down the West. Fast as the population has grown, the telephone has grown at an even faster rate... twice as fast, in fact, in the territory we serve. For at today's prices, the telephone is so economical more people can afford it... so useful, more people want it.

Helix High P.T.A. Pageant Next Thursday

Helix High P. T. A.'s next meeting will be in the form of fine entertainment. On Nov. 20th at 7:30 p. m. in the Grossmont High Auditorium, Helix High Students will present "Our American Heritage," a pageant of songs. This pageant features all familiar music and will be sung by a choir of ninety voices accompanied by organ piano and orchestra. Two hundred fifty students participate in both song and background scenes. A beautiful narration of Our American Heritage runs through the entire pageant. Appropriate scenery forms the backdrop for each sequence with participants garbed in authentic costumes to illustrate the various type songs presented. Following is the program of the pageant:

Theme: Our American Heritage is illustrated by songs that Americans have sung throughout the history of our land, because we are a nation of singers. Patriotic Songs: Star Spangled Banner. Battle Hymn of the Republic. God Bless America. Love Songs: Because I Love Thee. Anniversary Waltz. Pioneer and Western Songs: Oh Suzanna. Red River Valley. War Songs: Tenting Tonight On The Old Camp Ground. When Johnny Comes Marching Home. Over There Medley. Modern Medley. Melting Pot Songs:

Students of the Drama, Speech, Art, Vocal and Instrumental Departments have worked hard and long to make this pageant one of the finest presented and it is hoped as many parents and friends as possible will attend. Helix High P. T. A. is proud to sponsor it. Those attending must have tickets, which are free and will be distributed to students at school. If parents are unable to attend it is requested the tickets be returned to the school that they may be distributed elsewhere. This request is made so that all attending will be assured of seats as space in the auditorium is limited. The pageant will be presented for Helix High Students on Nov. 19th. In this way more seats will be available for parents and friends, on Nov. 20th.

M. H. Carnival Termed "Success"

Helen Bowman

The Monterey Heights School Halloween Carnival was a huge success. Over 1200 adults and children attended. By the looks of everyone's faces a good time was had by young and old alike. The Parade of Costumes was delightful, some people surely have good ideas. All the stands were busy thru out the evening and every one likes to eat. I was helping the hot dog and hamburger and coffee stand, at intervals so I know that plenty of food was consumed and enjoyed.

Mrs. J. E. Craddock, Carnival Chairman, wishes to extend her thanks and appreciation to all who worked for our Halloween Carnival and for the fine cooperation received from all. Without these fine people our Carnival would not have been the success it was. In the Kindergarten and 1st Grades the Prettiest costume was won by Dolores Caster, the funniest, Jackie Gahn and the most unusual by Ricky Shipp. The 2nd and 3rd Grades the prettiest was won by Susan Timas who was a Fairy, the funniest, Murrey Machen, Longies, and most unusual was Janis Yankey as a Rose. The 4th and 5th Grades, the prettiest was won by Bonnie Hostrom as Betsy Ross, the funniest Gary and Gale Baumgartner and Nancy Wallhauser as the Boy and Horse, and the most unusual Robert Nelson as the Apache.

Insurance Refund Buys School Pianos

by an interested spectator

Once in a while something good increases our confidence in our community leaders and in our belief that the people of the community will make the best decisions - decisions that result in benefits to all of us. This year the Grove School District was unable to include in its budget money for pianos for new kindergarten rooms and auditoriums but fire insurance is a fixed cost. It has to be paid.

You say, "That's interesting, but how does that affect the piano situation?"

Like this: Because some hard working community leaders stuck their necks out and sold us the needs for a fire district, insurance rates were lowered. The school district received a \$2,000 refund on fire insurance policies.

This money will be used to purchase the pianos. Ed's note: No, dear reader, the "interested spectator" is not Chom Mason, fire commissioner.

Mesa Jewel Lodge To Meet At Oceanside

Mesa Jewel Rebekah Lodge No. 409 will visit Oceanside Rebekah Lodge at Oceanside and present the "Heart of Friendship" to this lodge. This is a project of the President, Ava Gardner, and the monetary gifts received from this project is given to the President who in turn gives it to the home for aged Old Folios and Rebekahs at Saratoga, California.

The next meeting will be held November 19 at 7:30 p. m. at La Mesa Blvd. and it will be an initiation. Mrs. Eleanor Robinson is in charge of the degree work. This is also the second nomination of officers.

The chairman for the evening is Mrs. Edith Briley who will be assisted by Freida Bevier.

November 22 at 8:00 p. m. a card party is planned and will be held at the hall, and all Old Folios and Rebekah's are invited to attend.

Incorporation Meet Re-Scheduled

In order that the citizens of Lemon Grove may devote their entire attention to the important issue of school district unification, the regularly scheduled meeting of the Lemon Grove Civic Investigating Committee will not be held. It was decided Monday night by the Fact-Finding Board meeting at Grove school. The public meeting was originally set to be held the first week of December, the same week of the unification election. The Fact-Finding group, the standing committee for the Civic Investigating Committee, also decided that since the approach of the holiday season is so near at hand, the wisest move would be to hold the next public meeting after the holidays. It was felt that a meeting earlier would not be to the best interest of the public because of the conflicting obligations of the holidays. In other business during the

M.H. P.T.A. Sees Unification Film

The Monterey Heights P. T. A. meeting was held Thursday, November 13, 1952 at 7:45 p. m. following Open House, which was held from 6:30 to 7:30 at which the children's work was on display. Mr. William A. Thomas, Principal was chairman of the program for the P. T. A. Meeting. Mr. Burton Tiffany of the San Diego County Schools Staff spoke on how our children's text books are selected. Mr. M. R. Calderones fourth grade presented Mexican Songs and Dances. Mr. Gordon Purdy sang several selections accompanied by Mrs. Martha Thomas. There was a film explaining the unification of the school district. Refreshments were served by the Afternoon Kindergarten Mothers, who were Hostesses for the evening.

W.S.O. Meeting Change

The Woman's Service Organization of La Mesa United Presbyterian Church will meet Wednesday evening, November 19, since regular meeting date falls on Thanksgiving.

A Potluck dinner at 6:30 p. m. will be followed by a short business meeting, including election of officers for the coming year. Mrs. Frank Lee Tina will act as speaker for the evening, also Mrs. Howard Lewis will give special vocal music accompanied by her husband at the piano. Devotions by Mrs. Leon Ralnes.

Hostesses for the evening are Mesdames Laura Desmore, Kathryn Reynolds, Dorothy Mills and Margaret Anderson.

There will not be a nursery attendant.

Methodist Church To Officially Organize

The new Methodist congregation which meets each Sunday morning in the Seventh Day Adventist Church is increasing in number. The pastor Rev. C. A. Kurokawa reports there have been new faces joining the group every Sunday since the first meeting on October 5th. The 23 of this month has been set as the time when the church will be officially organized. Rev. H. S. Sears, Dist. Supt. of the San Diego Methodist district will preach and organize the church on that date. All Methodists in this area who are not already in attendance are urged to come into this fellowship as charter members at that time.

De Molay Dance Is Set

The La Mesa Chapter Order of De Molay is having a dance to be held at the La Mesa Youth Center at 8:00 p. m. Saturday, November 29. All De Molays, Jobe's Daughters, and guests are cordially invited.

Helix Barbecue Pit Nearing Completion

A barbecue pit is being constructed by friends and parents of Helix High students. It is being built between the Science concert, playing old familiar and Art buildings and is to be

used by school clubs, P.T.A. faculty, and community groups. Approximately 100 people came to watch and help the construction of the pit. The project is being financed by selling bricks at 15c apiece to parents and residents of the community. Saturday, \$60 worth of bricks were sold. The complete financing will be about \$100.

The barbecue pit is far from being completed but will be ready for use in the spring.

A pot-luck dinner and entertainment followed the workday. Mike Spinazzola played his accordion and the band gave a long built between the Science concert, playing old familiar and Art buildings and is to be

School Board Of Trustees Meets Every Second Monday

The Board of Trustees of the Lemon Grove School District meets each month during the year on the second Monday at 7:30 p. m. at the district offices, 3302 Kempf Street between Lincoln and Golden.

The public is invited to attend any or all of these meetings. Many business men, teachers, civic leaders, and others have visited at these meetings in the past and both the board and the visitors felt that they profited from the exchange of ideas.

The Lemon Grove Schools District has grown so rapidly in the past few years that many residents here do not realize the great number of children in the schools, the enormous problems of transporting and feeding these students, the large amounts which need to be spent for supplies and building needs, and the problem of employing and maintaining well-trained,

competent teachers and other school personnel. At all times the trustees welcome suggestions from the citizens of the community and urge interested persons to attend the meetings each month.

Herder - Fischer Vows To Be Exchanged

Miss Dorothy Ann Herder, daughter of Mr. and Mrs. Lawrence Herder, and Louis Burt Fischer, son of Mr. and Mrs. Louis Burt Fischer, will exchange wedding vows Friday, November 14, 8:00 p. m. at Lemon Grove Congregational Church.

Miss Shirley Herder, sister of the bride, will be maid of honor, and Bruno Suwall, of Baltimore, Maryland, the groom's uncle, will be best man. Bridesmaids will be Dion Richards and Lois Geschwender. The ushers will be Carl Herder and William Powell. Martha Thomas will play the wedding music and Yvonne Johnson will sing.

300 guests are invited to the reception at the Friendship Hall after the ceremony.

The bride will wear white satin, Chantilly lace, train and short veil. The maid of honor will wear blue net over taffeta, hat and mits. The bridesmaids will wear blue. Mother of the bride will wear pink and Mother of the groom will wear blue. Dorothy is a graduate of Grossmont High School. She attended Woodbury and State College. Louis graduated from Hoover High School and he attended Baltimore School of Technology and Johns Hopkins University. After a short honeymoon the couple will reside in San Diego.

Grove Parents To Have "Day" In School

Parents will go back to school next Thursday when the Lemon Grove School P. T. A. meets. Beginning at 7:30 p. m., all teachers will explain to the parents who visit their classrooms the over-all program for the year in the various subjects in sixth, seventh, and eighth grade. Mothers and fathers and other patrons will have a schedule to follow with each class ten minutes in length. At the end of the "school day," which will be about an hour in length, all will adjourn to the Kindergarten Room at the Golden Avenue School where a brief business meeting will be held. Refreshments will be served at that time.

Invitation Extended By Grove Woman's Club

Lemon Grove Woman's Club, formerly the Forward Club, is extending an invitation to the women of Lemon Grove to be their guests at the meeting of November 14, 1:30 p. m. in the clubhouse, 2810 Main street. Mrs. Frank Marcy of San Diego will tell "The Story of American Glass." Please call, Mrs. O. Patterson, H6-5242, Mrs. Fred Johnson, H6-9228 or Mrs. Charles Brown, H6-3344 if you plan to come. "We hope you need us, and we need you." There will be a home cooked food sale also at this meeting.

VLM Christian Church To Hold Fellowship Meeting Friday

The Christian Men's Fellowship is combining their meeting this month with the outlook family dinner Friday at 6:30 p. m. in the Vista La Mesa Christian Church. The Building Planning Committee will present tentative plans for the educational wing of the building to be started within the next few months. LETTERS TO THE EDITOR

Max Goodwin, Editor
Lemon Grove Review
Dear Max:
Congratulations on your front page editorial, your "Six Million Dollar Indictment."
I used to live in Encanto, then I moved to Lemon Grove because I could see that obviously Lemon Grove had the greatest growth possibilities in the San Diego area. This was, of course before the Lomita Village project was started. Now Lemon Grove has even greater growth possibilities. Two factors attract customers to a city — (1) easy accessibility; (2) good parking facilities.

After these two conditions are met, it is up to the merchants to as you so clearly set forth in your "indictment" editorial. It is Lemon Grove has the 2nd fac not easy enough for residents of the — good parking space. There adjacent areas to find Lemon Grove and Encanto in this re-our shopping district. It is hard to figure how I hope the Chamber of Commerce could accommodate any mere acts on your suggestion to great number of shoppers. En- call an Extraordinary Meeting to canto is squeezed between a hill tale action on connecting Lomita and a railroad. We in Lemon ta Village to Lemon Grove with Grove have ample room to take a good four lane highway.

Helix Tabbed A "Must Beat" By Hoover

Know-how and Fight Beat Kearny 24-7

by Jerry Dougherty

That Ken Maynard's Highlanders are a superior force, when met on equal terms, was proven in last Friday night's thriller with the elusive Komets of Kearny High.

The green and gray devouring tide of Helix linemen were truly a powerhouse as they swept through the Kearny line engulfing fleet runners before they got started, and ripped the Kearny defense open time and again for a Merik, Karl Jordan and Kelly to grind out long runs, first downs and touchdowns.

Hurst's kickoff to Kearny 20 was returned to their 35, stopped by Kennison, Merik and Fix. Bonilla stopped a center drive, Fackrell dropped a runner two yards past left guard. Bruce Bender, Stemen and Davies held a center smash. Kearny punted outside on the Helix 25. Merik hurried through right tackle 15 yards. Karl Jordan rammed for seven more. Merik held for no gain. Kelly shot into the air for a first down over left tackle. Merik's pass incomplete. Kelly slashed through left tackle eight yards. Karl Jordan hit left guard for one, and Merik plowed for a first down at center.

From the Kearny 38 yard line Karl Jordan bolted to the 35. Merik lost a yard, and his pass went incomplete. He then punted to outside on the Kearny 30. Don Bender tackled a run-away after five yards. A four yard center push stopped by Svalstad and Don Bender. Herald and Svalstad dropped a Komets on the 44, and Fackrell and Don Bender got one on the 45. Kearny penalized five. Norm Crawford broke through defense to throw a fast moving Komets for a three yard loss. Crawford held an end run for one yard. A Kearny pass incomplete and Helix took over on Kearny 42.

Kelly sliced off left tackle for two. Merik's pass incomplete, he then knifed through right tackle four yards at the end of the first period. A poor pass from center fumbled Merik's punt for a loss of two. Kearny took over, on first play penalized five. Don Bender stopped a racing Komets. A Komets racing for a touchdown in the open was downed by Kelly after a 35 yard sprint, on the Helix 11. A pass incomplete, then both teams offside. A plunge for goal stopped by Crawford, Svalstad and Bonilla on the Helix eight. Fackrell, Don Bender and Davies broke up a center goal push on the four. Svalstad broke up a pass and Helix took over on their four yard line.

Karl Jordan churned for six yards. Merik shook off tacklers, whirling to the 26 yard line. Kelly dodged for six, was shaken up a bit and left the game. Karl Jordan pounded for four, and a first down. Bonilla fumbled, but recovered, a loss of four. Merik punted to Kearny 37 and were penalized five on the first play. Gardner dropped a zooming Komets on the 39. A Komets sprinted five before Kelly and Svalstad got him. Don Bender and Lebb stopped gain of one yard. A Komets stopped in the 41 by Bonilla. Pass try lost one yard. Fackrell broke up a pass try for loss of four. Kearny punted to the Helix four yard line. Karl Jordan plunged for six. Kelly lost four. Merik at right end gained four, then punted to Kearny 40 where Kearny fumbled and recovered by Hurst. Merik pass failed, and held for no gain. He punted to Kearny 30 and was returned to the 40 at the gun for the first half.

In the second half Hurst returned the Kearny kickoff from his 30 to the Helix 34. On a pitch-out, Merik raced for seven yards. Karl Jordan gained five and a first down. Kelly swished for four, then Merik fired a pass to Kelly, who scampered 27 yards. Karl Jordan pounded out five, then Merik's pass was intercepted on the 15 and returned to the 20. A Komets hit the right side of the Helix line, fumbled, which was recovered by Kennison. Helix penalized five on the first play. Merik, from the Kearny 41 dashed five yards. Merik lost three on an end run. Jordan fumbled, recovered but lost two. Merik punted to outside on Kearny 20. At right end Stemen threw a Komets for a four yard loss. A pass failed, they punted to Helix 30 and returned by Merik to his 37. Kelly lost two at left end, then Merik whipped a long pass to Kelly, who raced for a touchdown. Extra point try failed. Helix 6, Kearny 0.

Hurst's kickoff rolled into the end zone. Merik stopped a Komets for a three yard gain. A Kearny pass failed, but a second was good to the 29. A Kearny punt went outside on Helix 32. Merik's pass incomplete, a second to Kelly was good for a 15 yard sprint. Karl Jordan gained six.

Merik's pass to Kelly for a first on their one yard line and returned, on Kearny 41. A perfect block by Fackrell saved Merik a Gardner and Kennison. A Kearny loss of four. Merik opened the fourth period with a six yard gain. Kelly raced for six yards. Kearny pass intercepted by Kennison, who raced back for 15 yards. Jordan gained a first from the Kearny 24. Kelly zoomed downfield for a touchdown. Try for conversion failed. Helix 12, Kearny 0.

Hurst's kickoff was returned to the Kearny 15 to the 26. Karl Jordan and Kelly tackling. A Kearny pass complete to the 41, stopped by D. Bender. A Kearny pass intercepted by Merik on Helix 45 and returned to Kearny 39. Merik slashed and whirled 15 yards. Jordan gained five. Kelly raced for seven. Merik rammed his way through tacklers to the four yard line. Jordan plowed to the two, and Merik shot through right tackle for a touchdown. Extra point kick was wide. Helix 18, Kearny 0.

Canned Citrus Just Right For Salads

Salads should be light and tart, and nothing makes them that way so simply as canned Florida grapefruit sections. This Citrus Quickie Gel Salad has as its base the tangy, economical canned grapefruit sections, and much of the simplicity is the fact that the salad is molded right in the can!

Canned Florida citrus products offer maximum convenience plus taste in nutrition and flavor. Here is the recipe for this shimmering but simple salad:

Citrus Quickie Gel
 1 No. 2 can Florida grapefruit sections
 1 envelope unflavored gelatin
 8 stuffed olives, sliced
 Drain syrup from grapefruit sections; reserve 1/2 cup. Soften gelatin in syrup; place over boiling water and stir until dissolved. Turn grapefruit sections into bowl, add sliced olives; return to can. Pour gelatin mixture over grapefruit sections; chill until firm. To unmold, dip in hot water up to top of can. Unmold on plate; cut into slices. Serve with salad greens. YIELD: 5 servings.

PLATTER CHATTER

COLUMBIA—This company has come up with an inspired album featuring The Chordettes, the lovely barber shop quartet from Arthur Godfrey's show. . . They do a collection of lovely, sentimental melodies in a nostalgic mood that is most appealing. . . Included in their excellent repertoire are such standard favorites as "S'posin'," "Sentimental Journey," "Basin Street Blues," "Kentucky Babe," "Carolina Moon," "Sweetheart of Sigma Chi," "Angry," "Drifting and Dreaming," "Anniversary Waltz," "Little Street Where Old Friends Meet," and several others.

In singles, Columbia offers Johnnie Ray in his latest disc, "Love Me," and "Faith Can Move Mountains," a pretty good waxing. . . Paulette Goddard gives "Glow Worm," a unique workout. . . Reverse has "Sui Sin Fa."

We congratulate Coach Ken Maynard, Coaches Glen Otterson and Phil Morell

RELUCTANT PRISONER . . . Mrs. Margaret Armour puts up an ineffective resistance to the law as railroadman John Melish puts the arm of the law on her on East 56th street in New York City. Police officials said Mrs. Armour was acting as a lookout for two known holdup artists that robbed two east side taverns.

FORGOTTEN LINCOLN PHOTO . . . Helen Nicolay, daughter of Lincoln's secretary and biographer, gives researcher Russell Bowman proof in Washington that Lincoln appeared in photo at Hanover Junction, Pa., on way to make Gettysburg Address, upsetting old argument Lincoln wasn't photographed on the way to make his famous address. Picture by Matthew Brady was found in national archives and had been mislabeled under an August date. Others in the photo were unidentified.

Audrey and Martin Haase Give A Party

Festivities were enjoyed at a house party given by Audrey and Martin Haase at their home October 31. After a tour of the Carnival at the Lemon Grove Jr. High School, the party adjourned to the decorated home, garage, and patio of the Haase residence at 1654 Cameron Dr., where dancing and games continued. Winners, cider, doughnuts and cokes satisfied the appetites of the guests who were: Patsy Reagan, Bessie Johnson, Barbara Adams, Claire Taitner, Connie Sherman, Peggy Moore, Louise Robinson, Kay Nevis, Dale Finch, Bill Bryant, Gary Dunn, Jay Ellis, Bill Elkins, Jim White, Frank Ferguson, and Martin and Audrey Haase.

Chairman Stuart Green of Del Mar said, "Problems of community development do not recognize political boundary lines. The solution of many urgent planning problems, especially in 'fringe areas' around cities, depends on coordinated action by both city and county agencies. We expect the new San Diego County Planning Congress will help local government meet this challenge more effectively." Arrangements for this meeting are being made by Dr. William H. Miller, County Planning Director, who disclosed that the principal speaker will be Mr. A. M. Rawn, Chairman of the Board of Engineers which just completed a County-wide sewerage survey. "The Board of Supervisors considered this meeting important enough to have Mr. Rawn address the Congress on the subject 'A Master Plan For Sewage Disposal', a matter of vital importance to every city and town in the County," Miller said.

FOR YOUR OLD RANGE WHEN YOU BUY A NEW ELECTRIC RANGE!

IT'S FAIR TO COMPARE . . .

and when you compare the range in your kitchen with today's wonderful new electric ranges — feature by feature — there's just no comparison.

Today's electric ranges give you clean, cool, fast, healthful, economical push-button cooking!

It's fair to compare . . . and we invite you to stop in and compare your old range feature by feature with this year's models.

And remember . . . during November . . . any of these dealers will give you 25% more for your present range when you trade it in on a new, 1952 electric range — any make, any model. So, take along the make and model number of your present range and just see what this 25% increase in trade-in allowance means to you in dollars and cents.
